

## Education and Training Requirements for Clinical Researchers at The University of Osaka Hospital ( For non-Japanese researchers who have difficulty in taking courses in Japanese )

### ■ Basic Concept

- This course is mandatory for Principal Investigators and Investigators at The University of Osaka Graduate School of Medicine Faculty of Medicine and The University of Osaka Hospital who conduct Clinical Research (including compliance with the Clinical Research Act), Clinical Trial, Regenerative Medicine, Epidemiological Research, Human Life Science and Medical Research Involving Human Subjects, etc.
- The first year of engagement in research shall take the "Foundational Education and Training" , and the "Continuing Education and Training" shall be taken after the second year .

### ■ Educational Requirement

Foundational Education and Training (The First Year)	Take the " Basic course for clinical research _ English" in CROCO
Continuing Education and Training (After the Second Year)	The requirement can be fulfilled by taking e-learning on clinical research in Japan and abroad (including those provided by external sources).

### ■ CROCO (Clinical Research Online Professional Certification Program at The University of Osaka )

CROCO is an educational e-learning website on clinical research provided by The University of Osaka Hospital.

For user registration, please follow the instructions on the login page.

URL: <https://bvits.dmi.med.osaka-u.ac.jp/croco/login.aspx>

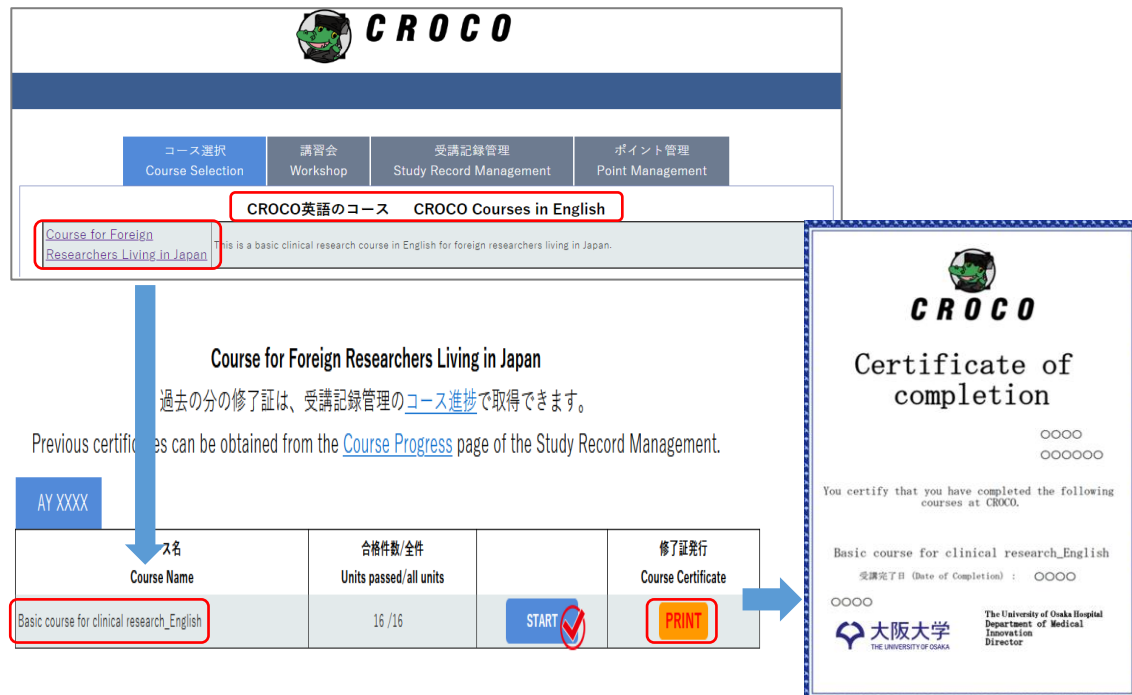

## 1. Foundational Education and Training

Complete the course "Basic course for clinical research\_English" in CROCO before initiating the research.

<How to take a course at CROCO>

- Log-in to CROCO
  - Click "CROCO Courses in English"
  - 「Course for Foreign Researchers Living in Japan」
  - 「Basic course for clinical research\_English」
- There is a "pre-test" and a "post-test" for each lecture, and the course is completed when the post-test is passed.  
If you pass the pre-test, participation in that lecture will be waived.
-  will be displayed when the course is completed and a certificate of completion will be issued.

The screenshot shows the CROCO website interface. The top navigation bar includes 'コース選択 Course Selection', '講習会 Workshop', '受講記録管理 Study Record Management', and 'ポイント管理 Point Management'. The '受講記録管理' tab is highlighted. Below it, the 'CROCO英語のコース CROCO Courses in English' section is visible, with 'Course for Foreign Researchers Living in Japan' selected. A blue arrow points from this course to a 'Certificate of completion' document. The certificate is from CROCO, The University of Osaka Hospital, Department of Medical Innovation, and certifies the completion of the 'Basic course for clinical research\_English'. It includes a table with the course name, units passed (16/16), and a 'START' button with a red checkmark and a 'PRINT' button.

AY XXXX	氏名 Course Name	合格件数/全件 Units passed/all units	修了証発行 Course Certificate
	Basic course for clinical research_English	16 / 16	 

## 2. Continuing Education and Training

Take the e-learning (including those provided by external sources) on clinical research in Japan and abroad by the end of the fiscal year.

< Management of Study Records>

You can register and manage lectures attended other than CROCO by following the procedures below.

- 「Study Record Management」
- 「Management of study records outside this website」
- 「New Registration」

The screenshot shows the CROCO website interface for 'Study Record Management'. The top navigation bar includes 'コース選択 Course Selection', '講習会 Workshop', '受講記録管理 Study Record Management', and 'ポイント管理 Point Management'. The '受講記録管理' tab is highlighted. Below it, the 'Study Record Management' section is visible, with 'Management of study records outside this website' selected. A blue arrow points from this section to a 'New Registration' form. The form includes fields for 'Seminar, Lecture, Conference, etc.' (mandatory), 'Date of study' (mandatory), 'Study registration number', 'Study time (minutes)', 'CROCO Points added as Continuing training' (mandatory), and 'Expiry date'. It also has a 'Save' button at the bottom.
